This April, my school is offering a unique and fun new fundraising event! We will be having a color run on April 22nd, 2018 at Riverdale Kingsbridge Academy at 10 AM! The students of my school and our friends and family will walk, jog, or run through a designated course all while being doused in vibrant colors! I am writing you today to ask if you would consider being my sponsor for this event. 100% of your donation goes directly to my school to distribute between clubs! Thank you very much!

Please sponsor me for the **my school color run**© annual fundraiser, and help me reach my GOAL!
