Parents should complete the Club Consent Form. Students then report to clubs they wish to attend at the specified time. Teachers will share GC info in the club meeting. Students should sign in the attendance sheet with the staff member in charge to track for NJHS/NHS Community Points. Students are self dismissed at the conclusion of the club meeting. Students enrolled in RNH @ RCC should check in with RCC staff before leaving to attend clubs and return back to to RCC when the club has ended.
