Students need 90% of Behavior Points in order to participate in events

How will this be tracked?

- Students may earn 7 points a day by being on time (class & school)
- Teachers will be keeping track of attendance in JupiterGrades. If you enter a room after the bell rings, you are late. Student will lose 1 point.
- Every time a teacher writes a referral to the Dean - they will lose 5 points
- If you have a fight or get suspended you will lose 25 points

Example: On 9/9 there were approximately 30 days until the first 8th grade event. A possible 210 points can be earned by then. Students must have 90% of the points to be eligible to attend so 189 or more.

Picture Day Make Ups are on March 4, 2026

-Link will be posted in Google Classrooms in December as the date gets closer
