

Instructional Focus

If students engage
in more literacy – based activities
(reading, writing, speaking, explaining)
across all subject areas,
then proficiency and progress levels
will rise.

Goal #1

Increase the number of minutes that all students are independently reading in school.

Goal #2

Increase

articulation and expression of ideas and mathematical thinking more clearly for all students.

Goal #3

90% of all students
will graduate
in 4 years

Goal #4

ENL progress will be
increased by 7%

Goal #5

Reduce
chronic absenteeism
by 2% for all students.

Goal #6

Students will experience a cohesive and coordinated college curriculum throughout HS.
