I have reviewed my child's course request form for the school year 2020-21. I understand that not all requests can be accommodated based on programming limitations. If I have any questions about this sheet or the Course Guide I will reach out to the Guidance Counselor. I understand that the Course Guide includes graduation requirements as well as RKA policies and is available online at [www.RKA141.org](http://www.RKA141.org). I have reviewed the course guide including the specific section on programming changes and policies related to AP/ Dual Enrollment courses.
