

Riverdale Kingsbridge Academy MS/HS 141

**Supply List 2019-20**

In order to encourage student-organization and to minimize costs to families, we have adopted a school-wide supply list. This will make the expectations across the school consistent, and we hope it will also lighten the book bags too! Supplies will need to be replenished throughout the year; quantities provided are the numbers needed to start the year. Most materials are stored at home or carried daily in backpacks. Do not send in to class teachers.

**Items marked with an asterisk (\*) are available for purchase at orientation and in our school store.**

**Items are available in school colors with the RKA logo.**
